

CREATIVE PROFESSIONALS EXCHANGE: UNITY SUMMIT

CPX: Unity Summit is a half-day gathering that brings together artists, creative entrepreneurs, and arts and culture workers from across Western New York. Hosted by Arts Services Inc., the Summit focuses on collaboration, skill-building, and the shared goal of strengthening our region's creative ecosystem. Through a keynote presentation, breakout sessions, networking, and advocacy-focused programming, attendees leave with new tools, connections, and inspiration to advance their work.

For local businesses and community leaders, the Unity Summit offers a valuable opportunity to engage directly with WNY's creative community. This dynamic audience shapes innovation, drives cultural vitality, and influences the region's identity. Sponsoring this event places your organization in front of the people who power the arts sector, while demonstrating your commitment to a thriving, connected WNY.
